Jason will take one of the finished ones to East Gate Apartments where it will be put inside of their clubhouse and Emily will steward it. The library will supply some of the books to fill the finished Little Libraries. The Little Library that was made from a 10-gallon drum will be placed in South Park. Layne Miller spoke with Scott Olsen the deputy director of Public Works and he will work with the Parks and Street department on placement of the 10-gallon drum Little Library. Gail Scoville has volunteered to be the steward of the Little Library in South Park. There is also a Little Library that was made from a small personal refrigerator. Jana Hopes who has Carbon Print and Design will be doing some decals for a couple of Little Library that will be ready by the end of the week. Jason will contact Wellington City and see if it would be possible to place the personal fridge Little Library in Wellington City Hall. Robin has found a couple of old newspaper boxes that would work great for Little Libraries and she is in the process of trying to obtain them. Robin has also found a weighted green phonebook box that Nick Kiahtipes has

donated to use. It will just need to be cleaned up. Right now, there is a total of 8 Little Libraries. Jason will take one of the orange ones and place it in his yard in north Price. The board plans to reach out to Circle C and Indian Hills trailer parks to see if they would be interested in a Little Library at their location. Robin Hussey, Carol Chiara, Tom Alleman, Jason Olsen, Keira Luke and the Library will sponsor and pay the 40 dollars to have each little library registered with the Little Free Library.
