Starting January 7th, 2018, at 7:00 am, or next business day, and every calendar year hereafter, Price City and Cliffview Cemetery will begin the annual Christmas decoration clean up--weather permitting. All live and artificial flowers, Christmas trees, wreaths and decorations (including Shepherd's hooks and solar lights) that are not placed in vases, secured to the headstone, or extending beyond the edges of the headstone itself, will be discarded. To avoid any misunderstanding, please remove all decorations prior to clean-up date.

In the event the ground is frozen and/or snow covered, the clean-up will be temporarily postponed, but will take place no later than February 28, 2018.

Brianna Welch
/s/ Price City Cemetery Supervisor

Please publish in the regular part of the paper on Wednesday, December 19th, 2018 and on Wednesday, January 2nd, 2019.
