

## **PRICE CITY LIBRARY BOARD MEETING FEBRUARY 10<sup>TH</sup> 2020**

Present: Bob Tanner, Layne Miller, Tina Rowley, Tawnya Kulow, Lori Brassaw and Curtis Icard  
Excused: Bret Cammans, Wendy Hughes, Amy Richens and Eric Snow

Tawnya reported that Sky Jensen planned a Harry Potter night at the library that was very well attended. The library is also planning to host a Dungeons and Dragons game once a week. Other programs that the library plans to have are adult stress-free coloring and Lego play for children.

Layne would like to have the artwork that is displayed upstairs in City Hall displayed at the library because where it is in city hall is not ADA accessible and at the library more people would have access to the artwork.

Tina presented the public notice that will be posted concerning the new charge of 15 dollars on County Library Cards. Carbon County has decided to no longer pay for county residents to have a Price City Library card. Due to this decision county residents will need to pay for their card when they expire. The board feels that this is the right decision to make at this time. Bret will be presenting this to the City Council on February 26, 2020 for approval.

Lori Brassaw invited the Price City Library Board to visit the USU Learning Commons during the April Board meeting. The board will meet in room 106 as usual and take care of any needed business and then go up to USU to tour the Learning Commons.

Bob asked for an update on the Ramp Project Tina let him know that the City Engineer Russell Seeley is planning to get bids for this and the plan at the moment is to start the construction for this project in the spring.

Next board meeting will be March 9<sup>th</sup> 2020 at 4:00 p.m.
