

PRICE CITY LIBRARY BOARD MEETING MARCH 9TH 2020

Present: Bob Tanner, Layne Miller, Tina Rowley, Tawnya Kulow, Lori Brassaw, Wendy Hughes, Amy Richens, Eric Snow and Curtis Icard

Excused: Bret Cammans

Motion to approve minutes, monthly statistics and program reports made by Amy Richens and seconded by Wendy Hughes

Layne wanted to discuss rotating the artwork that is on the second floor of City Hall to the library due to the fact that there is no ADA access to the artwork in City Hall. Layne and Terry Willis feel that it would be more accessible to the public if it is in the library. Amy Richens brought up that idea of having a policy for displaying artwork in the library. Amy feels that there needs to be a way to ensure that the artwork is appropriate for all the children that visit the library. Tina and Layne will work on finding a location in the library to display the artwork and also finding out if the Price City has a policy for displaying artwork.

Lori Brassaw invited the Price City Library Board to tour the USUE learning Commons Library during the boards following meeting on April 14th. The board would meet in room 106 and take care of any business then travel to USUE for the tour. Lori said there would be someone there to demonstrate the 3D printer also she wanted the board to tell her what topics they are interested in so she could pull books they may enjoy.

Eric Snow reported that the high school shop teacher said that his students have been too busy with their own projects to help build the Little Libraries like it was initially planned. Eric suggested maybe getting the community involved or maybe a scout troop would be willing to do it as an Eagle project. Eric talked to CJs and Sutherlands and they are both willing to donate materials for this project, the plan is to have a plaque made saying the materials were donated by the businesses.

Next meeting will be April 14th at 4:00 p.m.

Motion to adjourn made by Layne Miller seconded by Curtis Icard.

Meeting adjourned
