

**PRICE CITY LIBRARY BOARD MEETING
OCTOBER 13TH 2020**

Present: Wendy Hughes, Amy Richens, Tina Rowley and Tawnya Kulow

Excused: Eric Snow, Layne Miller, Bob Tanner and Bret Cammans

Motion to approve the monthly statistics and program report made by Amy Richens and seconded by Wendy Hughes.

Amy will contact a local scout troop concerning the building of the Little Libraries. Amy will give the scout troop Eric's number and they can work with him on the building plan. Because of the pandemic the state libraries suggest that books be put in quarantine for 72 hours, because of this the board is considering if it might be a good idea that the Little Libraries be put on hold until spring. This will also give the scout troop time to build them.

Tina presented the Art Work Policy to the board for approval so it can be taken to City Council.

All board member thought it was ready for the next step. This policy is for the entire city not just the library. The Art Work Policy is on the City Council Agenda for October 28th 2020.

Tina reported that construction on the ADA ramp project has begun. The construction company working on this project is Delbert Thayn construction. The contractor said the construction should take 30 days to complete.

The library went back to their regular hours on October 5th. There is still a 15-person limit and We are asking that patrons limit their time in the library to 60 minutes or less. Masks are required for staff and patrons.

Next meeting is November 13th 2020

Motion to adjourn made by Wendy Hughes seconded by Amy Richens

Meeting adjourned
