

Price City Cemetery

The primary use of Price City's Cemeteries is for the burial of deceased persons according to Price City and State Codes.

Daily operations of the cemeteries will fall under the direction of the Cemetery Supervisor.

Price City will charge fees for cemetery burial rights and all pertinent services provided for.

Burial Rights

Rights of Burial may be purchased in any Price City cemetery. The customer obtains burial rights only and perpetual care for each space(s).

No purchase of real property is made or inferred, and the customer is subject to rules and policies of the City.

Perpetual Care

Price City will provide perpetual care of the cemeteries. Perpetual care does not include maintenance or upkeep of any headstone, pedestal or base, flower vase, area or any other property that is not the property of Price City.

Burials

Interments will be limited to human dead. The City is not responsible to move or reset any headstone, to facilitate a burial. The City will accept no liability or responsibility for the headstone during this process.

Headstones (Price City Cemetery Code 2.48.230)

Anyone setting any type of headstone, must check in with the Supervisor, or cemetery associate before they arrive.

Stones will not be set if no prior approval has been arranged, or if any the requirements are not met.

It is required that the mow strip/foundation be a minimum of four (4) inches on all headstones.

All headstones and Veteran's stones must be set according to the Price City Cemetery Code.

All headstones or Veteran's stones are not the property of Price City. Price City assumes no responsibility for the safety, upkeep, or condition of any headstone in its cemeteries.

Trees, Plants or Shrubs

No tree, shrub, or other plant may be planted at any time in any cemetery.

Decorations (Price City Cemetery Code 2.48.250)

In the interest of maintaining uniform beauty and fair compliance with the Cemetery Code, decoration days of observance include;

Mother's Day, Memorial Day, Father's Day, anniversaries of birthdate and death dates as well as Veterans Day. Decorations can be placed seven (7) days prior to the days of observance and will be left for seven (7) days after.

Christmas decorations may remain in the cemetery from December 5th to January 6th without removal on any given year. On January 7th, all decorations are subject to removal. Weather permitting.

Decoration cleanup will begin on a Monday, the week after the holiday, at which time all decorations will be cleared from the cemetery and disposed of. Such items include, but are not limited to; Candles, solar lights, rocks, wires, stakes, breakable figurines, any glass or porcelain items or containers, yard or lawn ornaments.

Outside the days of observance, the four (4) inch mow strip/foundation must be free from obstructions and decorations allowing proper grounds maintenance.

Seasonal or other flowers within the vases, which are a part of the headstone, or on the pedestal, will be left.

Shepherd's hooks or similar items cannot extend beyond the outside edges of the mow strip/foundation and shall not exceed over forty (40) inches in overall height.

Any decorations not conforming to the cemetery code are subject to removal at any time.

Cemetery Care and Maintenance:

Cemetery lawn will be mowed, watered and safely and environmentally treated for weeds to sustain a healthy green grass.

Digging trenches or use of rocks or other materials, planting of other types of grasses or flowers, or applying herbicides or pesticides is not permitted.

Price City is not responsible for items left in the cemetery, and in no way obligated to replace or pay for decorations that are moved, removed, stolen, damaged, or destroyed.
