4:00pm

Price City Council Chambers

Prior to CDBG Public Hearing and Regular City Council Meeting

Matthew Godfrey and Dean Graham from Better City will be presenting a financing program called REDLEG that operates via USDA and may be used to facilitate hotel development within the West Price Travel & Tourism Project Area.

QUESTIONS TO ASK:

1. How is Price City and the Price City Electric Utility Held Harmless in terms of a project default and payments to USDA?
2. What is the process you envision bringing to Price City? How will the time and effort of Price City staff be mitigated due to your work and efforts?
3. What is the total dollar value of the increment available?
