

## **ATTENTION GRAVE DECORATORS**

Cemetery grounds are sacredly devoted to the interment and repose of the deceased. Price City has established rules for decorating graves which allow for family members to give tribute to and mourn their departed loved ones. These same rules also support the City in meeting its legal obligation of perpetual care for all grave sites in the cemetery. The commitment of perpetual care not only includes maintaining each grave site in good order and appearance, but also maintaining a safe environment for all who come to the cemetery. When grave decorations are allowed to remain beyond the established time limits, or unauthorized items such as fences, borders, or live trees/shrubs are placed around the grave lot, it prevents the cemetery staff from fulfilling their responsibility of maintaining the cemetery grounds at a level deserving of all who are buried there.

With the exception of special dates and holidays, decorations are to be placed only on the headstone or its border. If items are placed on the headstone or its border, they must be secured as to prevent them from falling onto the surrounding grass area. Any unsecured items which fall outside of the headstone border are subject to removal by cemetery staff. The placement of grave decorations outside of the headstone's cement border is permitted only during holidays, as well as during the deceased's birthday and anniversary of death. When decorations are placed outside of the headstone's cement border for such occasions, they must be removed within 7 days by family members or cemetery staff. Those unable to retrieve such items within 7 days may contact the Cemetery Department Office for direction at

**435-636-3191.**

**We are requesting that you remove all decorations placed outside the headstones cement border within 7 days of the date of this notice.**

We appreciate your cooperation in this matter, thus helping us maintain the cemetery as a beautiful and peaceful place for the deceased, as well as for family, friends & loved ones.
