

SHUFFLE

Over the past decade, SHUFFLE has become a staple of the Utah party scene. Created by members of Advent Horizon (featured at Helper Arts Fest for the past 6 years running), they're known nationally for their jaw dropping renditions of classics from Led Zeppelin, Pink Floyd, Heart, Michael Jackson, Journey and many more. SHUFFLE isn't just a band, it's an interactive experience. So come ready to sing along. Come ready to move your feet. Come ready to BE the life of the party!
